The student body is a diverse population composed of 93% Hispanic/Latino, 3% Black, 3% White, and 1% other.

Accreditation and Membership

Mater Lakes Academy is accredited by the Southern Association of Colleges and Schools and holds memberships with the College Board, the National Association of Secondary School Principals, and the Association of Secondary Curriculum Development.

Academic Schedule

The school's academic program is organized on a rotating block schedule. Students are assigned seven (7) credits per year as the maximum course load; students take three classes on an alternating block schedule and one of their classes is seen everyday. The school day is composed of one 60 minute class that meets everyday followed by three 90-minute block scheduled classes. Annual credit (1.0) courses are year-long and semesterized courses (0.5) are half the year.

Curriculum

Advanced Placement Program courses offered at the school include: Art History, Art 2D Studio, Biology, Chemistry, Physics 1, Physics C, Calculus AB, Calculus BC, Statistics, Macroeconomics, English Language, English Literature, Government (United States and Comparative), Human Geography, American History, and Psychology. AP Language classes offered include French, Spanish Language, and Spanish Literature. Advanced Placement is an open-enrollment program.

The Scholars Program enables sophomores, juniors and/or seniors to enroll in college courses and earn college credits at local institutions of higher education. A Higher Educational Institution that works together with Mater Lakes Academy is Miami Dade College. The Scholars Program aims for students to earn an Associates of Arts degree from Miami Dade College and Doral College.

The school has instituted a Pre-Advanced Placement program for its Middle Grades students. This program will give students the opportunity to experience the rigors and expectations of the Advanced Placement curriculum in preparation for High School Advanced Placement courses.

District policy eliminated class rank beginning with the Class of 2009. Students rank is distinguished by their Grade Point Averages and the categories are separated by: Suma Cum Laude, Magna Cum Laude and Cum Laude.

Grade Point Average (GPA) Calculation

GPA's are computed using the above quality points. Beginning with grade 9, all subjects, whether passed or failed, are included in the computation. A minimum of 24 credits is required for graduation. In addition to the required 24 credits, each student graduates with 28 credits which allow students to achieve higher GPA calculations and exceed both State and District requirements. AP and Dual Enrollment courses are weighed by two extra points and Honors classes are weighted by one extra point. Grades are recorded on the official transcript and grade point averages are recalculated in January, June, and August.
